

REMARKS/ARGUMENTS

Applicants would like to thank the Examiner for indicating that Claims 1-3, 6-9, 17-19, 22-25, 38, and 41-45 are allowed in the Notice of Allowance mailed on December 9, 2010. Applicants have added new Claims 46-51 and 52-57, which are respective method and means-plus-function claims corresponding to allowed Claims 38 and 41-45, respectively. Applicants believe the amendments to the claims add no new matter to the application and are fully supported by the original disclosure.

CONCLUSION

In view of the foregoing, Applicants submit that all pending claims in the application are patentable. Applicants do not believe any other fees are due regarding this amendment. If any extension of time fees or any other fees are required, however, please charge Deposit Account No. 17-0026. Applicants encourage the Examiner to telephone the Applicants' attorney should any issues remain.

Respectfully submitted,

Dated: March 4, 2011
